D.T. ARIEL (ed.): Excavations in the City of David 1978-1985 Directed by Yigal Shiloh, Vol. VI: Inscriptions

This volume presents the inscribed finds and related material from all areas and strata of the City of David excavations. Chapters are devoted to Hebrew and Aramaic inscriptions, inscribed pottery, Hebrew bullae, bullae with figurative decoration, Lmlk seal impressions and concentric circles, a Hebrew seal and seal impressions, rosette-stamped handles, incised handles, and locally stamped handles and associated body fragments of the Persian and Hellenistic periods. Appendices are devoted to an Arabic ostrakon and potsherds with incised South Arabian letters. A concordance to Volumes V–VI of the City of David reports (Qedem 40 and 41) concludes the volume. 204 pages Price: \$48.-
